

END-OF-YEAR SNIPPETS

As we approach the end of yet another year, we take this opportunity to thank you, our staff, clients, colleagues and associates, for your loyal support during 2018! May you have a joyful festive season with your loved ones. We look forward to doing business with you again in the future.

Indeed, 2018 held many challenges – for the country as a whole, as well as for the industry. Irrespective of the tough economic climate, however, Nyeleti was able to adapt and steer the boat through the storm! As we constantly emphasise, our staff is our greatest asset, and the following awards received during 2018 are proof of this, once again:

Nyeleti Consulting won the title of Business of the Year in the Property and Infrastructure category of the Capital City Business Chamber (CCBC), in October 2018.

In February 2018, our CEO, Dr Pine Pienaar, received a Lifetime Achievement award from the South African Professional Services Awards (SAPSA) for excellence in the field of engineering. The SAPSA awards is an annual event where South Africa's best professionals and firms are recognised.

Ntseuoa Motsieloa, engineer in the Structural Engineering division, was presented with the Young Engineer of the Year award at the annual SAICE Awards, in October 2018. He also received a commendation from Consulting Engineers South Africa (CESA) at the Engineering Excellence Awards, in August 2018.

Pierre Nyathi, technician in the Water division, was also presented with the Technician of the Year award at the annual SAICE Awards, in October 2018.
